

E-statement User Guide

For your convenience we now have E-statements!

Just like your paper statements E-Statements are available each month. Once you choose to receive E-Statements you will receive an email notification that your statement is available through your Jersey Shore State Bank Internet Banking account. Jersey Shore State Bank E-Statements - Simple, Safe and Secure.

Simple

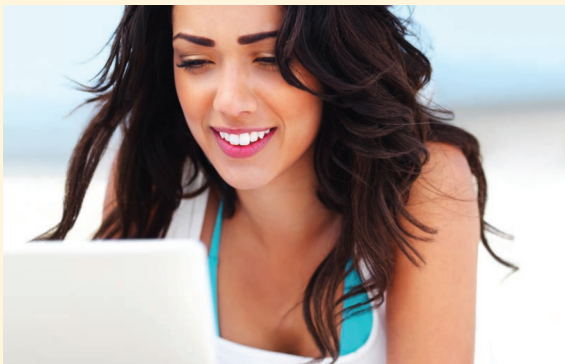

After receiving your monthly notice that your statement is available simply log into your Internet Banking account and view your statement. You can save your statement to your personal computer without the hassle of storing a paper statement.

Safe & Secure

Keep your financial information secure - A paper statement can be lost or stolen in the mail. By receiving your statement electronically through our secure Internet Banking site your account information can only be accessed by you.

STEP 1 Sign Up For E-Statements

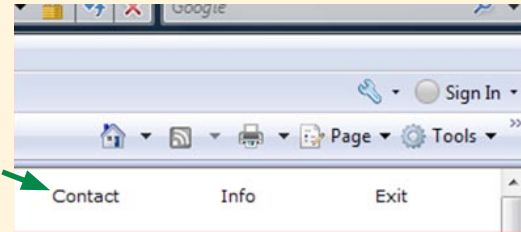

Complete an E-Statement application by visiting your local branch or emailing estatements@jssb.com to request an application.

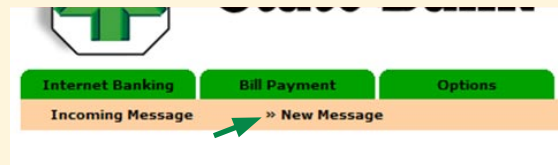

STEP 2

Electronic Confirmation - Electronically confirm that you can access the Jersey Shore State Bank Internet Banking site

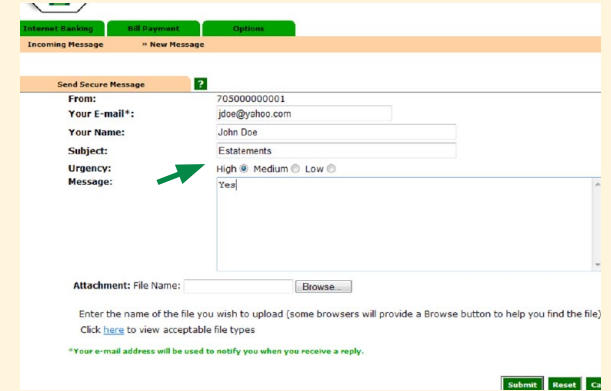

A. When you are signed into the system locate the "Contact" icon at the top of the page; click the contact tab.

B. Click the "New Message" icon

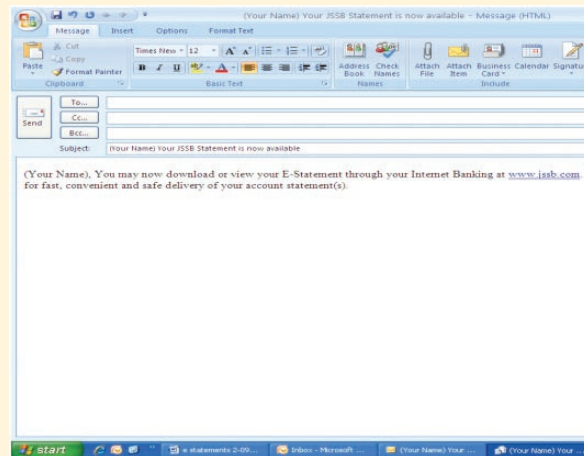

C. Submit the following message that, "yes", you were able to access the system; for "Urgency" click "High":

D. You will receive a confirmation message from Jersey Shore State Bank that your E-Statement has been activated.

STEP 3 Receive Monthly Email Notifications

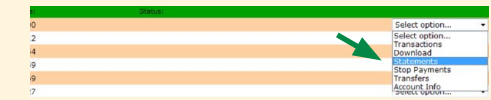

Each month you will receive your monthly email notification that your statement is available on our Internet Banking site.

STEP 4 Access Your E-Statements

Sign into the Internet Banking system using your current Internet Banking ID and Internet Banking PIN/Password. New Internet Banking customers will receive their PIN and ID in the mail after enrolling in Internet Banking.

Locate and click the "Statements" option for your checking account in the drop down box on the main page. This option will not be available until your first statement is generated after signing up for Internet Banking.

You may view your statement in either a PDF, HTML or a Text format
